The list below is an amalgam of a list ("1984 Campaign Files: Miscellaneous Files Supplement) prepared in 1991, and a list compiled by Monica Ralston in December 1996 while processing a recent accession of Mondale's personal papers. The originals of these lists, plus a copy of the 1991 list with Monica's annotations, are filed in the 1984 Campaign folder in the Mondale project files. The lists are sometimes unclear as to the exact contents of the boxes in their present incarnation; I did not inspect most of the box contents in compiling the list below. Some boxes include other materials besides 1984 Campaign files, which may appear on other Mondale preliminary box lists [LL, 9/4/99]

For financial disclosure records pertaining to Mondale's 1984 presidential campaign, *see* Mondale papers: Personal: Financial: 1982 Tax Return and Federal Elections Commission Filing, 1982-1983.

Speeches, fact sheets and other issuances, debate preparation materials, surveys, public's letters, assorted strategy materials, and publications about the election. Received from Mondale's Minneapolis offices.
