SCOPE AND CONTENTS OF THE FILES

Senator Mondale's press releases and related issuances produced for public dissemination. The latter include his Reports to Minnesota (news release version, often subtitled "Weekly Column," and radio show version), newsletters sent to constituents, and various (probably incomplete) groups of statements, television program transcripts, press conference announcements, and miscellaneous issuances.

The press releases include one set (1970-1972 and 1975-1976) organized by topic; it probably duplicates items in the main chronological sequence. A file of Joan Mondale's newsletter, "Washington Story" (1965-1972), is also present.
